I know a girl who gets off
By sticking needles in her vein
Oh Lord what a shame
She's got no money so she turns tricks
And plays dirty games
Oh Lord spare her pain
What she says she do to you
You'd have to be insane
The bathroom stall, her bedroom
The one that's always engaged
She sleeps and eats with the plague
She's got a baby in her belly
But she just don't care
What will be come of the pair
Oh Lord what can she do
To get the shit out of her hair
To get the shit out of her hair
Blues for sister someone
Oh Lord
