hello everybody and how do you do?  
gonna rock shock your body, we're the cryptik souls  
crew  
rock rock to the beats ya'll, rock rock to the beats ya'll  
hello everybody and how do you do?  
gonna rock shock your body, we're the cryptik souls  
crew  
rock rock to the beat ya'll, rock rock to the beat ya'll  
it's the o-b-e  
the o the n-e  
yes the man that you think of  
and when i step inside the place to be  
all the ladies fall in love  
and i'm the v-a-n-d-a the l  
and i would like to mention  
that t-dot city is the place we dwell  
we came to party with no tension  
well it's the a-b-d-o-m-i-n  
a-a-a-a-a, l-l-l-l-l-l-l-l  
that's the abdominal quite obvious  
cause i trust you know how to spell  
who's that cyrptik souls cat thats known to get live  
you transform my name to numbers it'd be one-three-  
five  
nine-eleven-nineteen  
stepping on your scene  
asicks knows basics shine like afro-sheen  
clean out your ears  
and ya open your eyes  
to see k-n-g "csc" coming alive in 3-d  
i'm the man who you wanna be  
but defeating is an impossibility  
hello everybody and how do you do?  
gonna rock shock your body, we're the cryptik souls  
crew  
rock rock to the beat ya'll, rock rock to the beat ya'll  
hello everybody and how do you do?  
gonna rock shock your body, we're the cryptik souls  
crew  
rock rock to the beat ya'll, rock rock to the beat ya'll  
well it's the m-o-k-a

the o-n-l-y  
i really couldn't tell you why i'm flowing so fly  
i guess it's for the fact i got the gift of gab  
to bring the party people something they never done  
had  
when d-sisive came to rock the mega-city got scared  
because i came with clinched fists and my nostrils  
flared  
but when i dropped my first rhyme  
i automatically declared  
that i could take the city out without the hardcore stare  
i'm s-y-m-b-o-l-i-k  
and if you didn't come to party then holla may-day  
k-paint a picture stroke by stroke in ya frame  
c-k flow yeah that is my name  
well i go by the title of the name d-rock  
in dis here recital's guaranteed not stopping  
i got a whole bunch of brothers from around my block  
and it's a sure shot that we stay on top  
it's the planet-p here to keep it live  
and i'm also known as kudu-5  
when my crew is in the place we take control  
now you're being captivated by the cryptik souls  
get funky with it  
hello everybody and how do you do?  
gonna rock shock your body, we're the cryptik souls  
crew  
rock rock to the beat ya'll, rock rock to the beat ya'll  
hello everybody and how do you do?  
gonna rock shock your body, we're the cryptik souls  
crew  
rock rock to the beat ya'll, rock rock to the beat ya'll  
get funky with it  
this is it right here
