Yeah

(Thank you Jesus for the song)

Hey Hey hey hey...

Don't do it don't do it

Don't go and put a bullet in your head

Just turn your life around instead

Don't go and put a bullet in your head

I'm gonna get it

But workin' nine to five just doesn't let it

I feel I'm wastin' time and I regret it

Can't even feed my kids and my wife

Oh I'm longing to find it

A taste of the sweeter life oh my

Only takes a little time

(No don't do it)

Don't go and put a bullet in your head

Just turn your life around instead

Don't go and put a bullet in your head

Oh my oh my

Ain't got no credit

Can't even pay my rent

Where will I get it ?

There's a liquor store right down the block I'll get it

Can't even feed the pain in my heart

Oh I'm longing to find

(I'm longing to find)

A piece of the bigger pie, oh my

(A different kind)

Only it takes a little time

(A little time)

(No don't do it)

Don't go and put a bullet in your head

Just turn your life around instead

Don't go and put a bullet in your head

Oh my oh my oh my ...

Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head
Put a bullet in your head, oh my
Oh my, put a bullet in your head, oh my
Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head
Oh my, oh my oh my.
