Hey Joe, where you goin' with that gun in your hand
I said hey dude Joe, where you goin' with that gun in
your hand
Going down to shoot my old lady
You know, I've caught her messin' around with another
man
Yes I did
You know, I've caught her messin' around with another
man
Hey Joe, I said where you goin' with that gun in your
hand
Hey Joe, where you goin' with that gun in your hand
Gonna messin' round
Yes I did
You know, I caught her messin' round man, messin'
round town now
So I shot her!
I said hey Joe, hey Joe,
Where you goin' with that gun in your hand,

Where you goin' with that gun in your hand
I caught her messin' round, gonna messin' round town
with another man yeah
