Got the balls, you become a young man now,
There's just somethings you just don't understand now,
Got the balls, you become a young man now,
There's just somethings you just don't understand now,
Got the balls you become a young man now,
Everybody's stoned, nobdoy gives a shit,
But these guys are making so much bread, but doesn't
matter what they do
Everybody's stoned nobdoy gives a shit,
But these guys are making so much bread, but doesn't
matter what they do
