In this garden  
This lovely garden  
I build a temple of love  
Walk with the Father  
Won't be a bother  
To touch the Earth as it was

We'll farm the land each day  
And in the sunshine we will play  
Glory glory for the day He came  
Our tears had gone away  
We'll make love in the shade  
And in the ocean we will bathe  
Little fishies in the sea  
Say hooray

I build this garden for us

In this garden  
Our children will grow  
Darling this is a must  
We'll be so happy  
Our little family  
So full of love and trust

And darling when we're old  
We'll close the gates and lock the door  
Our love will never fade away  
When it's pure it's forever last  
And darling when you're cold  
I'll hold you tight and keep you warm  
Little darlin' gonna make it through the storm  
You'll never be alone

I build this garden for us

In this garden  
They'll be no war  
No racial prejudice  
You'll be my brother  
Of any color

You'll just be okay with us  
We'll love each day in peace  
In hope that we will one day reach  
The rest of the world  
When they are ready to be teached  
The kingdom will come  
Thy will be done  
On Earth as it is in heaven

I build this garden  
I build this garden for us

I build this garden for us
