Looking out a dirty old window
Down below the cars in the city go rushing by
I sit here alone and I wonder why
Friday night and everyone's moving
I can feel the heat but it's moving
Heading down
I search for the beat in this dirty town

Downtown the young ones are going
Downtown the young ones are growing

We're the kids in America
We're the kids in America
Everybody live for the music-go-round

Bright lights, the music gets faster
Look boy, don't check on your watch
Not another glance
I'm not leaving now, honey
Not a chance
Hot-shot, give me no problems
Much later baby you'll be saying never mind
You know life is cruel
Life is never kind

Kind hearts don't make a new story
Kind hearts don't grab any glory

We're the kids in America
We're the kids in America
Everybody live for the music-go-round

Come closer honey, that's better
Got to get a brand new experience
Feeling right
Oh don't try to stop baby
Hold me tight

Outside a new day is dawning
Outside Suburbia's sprawling everywhere
I don't want to go baby
New York to East California

There's a new wave coming, I warn you

We're the kids in America

We're the kids in America

Everybody live for the music-go-round

We're the kids

We're the kids

We're the kids in America [x3]
