She's unique and complete
And with the dog will sleep
She loves to read - she drew her feet and
She drew Jesus too
Oh Yeah
Light skin girl from London
Light skin girl from London

She understands,
She'll read your hands
And take the future right outta your plans
She'll let you in, but she won't take you where she lives
Oh no, light skin girl from London
Light skin girl from London,
Yeah yeah yeah

She's got style, but all the while
She dances to the beat out of time
She often cries, and she can speak to you through her
mind
Oh no no no no
Light skin girl from London
Light skin girl from London, yeah
Solo

Light skin girl from London
She's a light skin girl from London
She's a,
She's a light skin girl from London
She's a light skin girl from London, yeah yeah
She's a light skin girl from London, oh yeah yeah
She's a
