More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man
I'd walk through fire
Stand in the rain
I'll go to hell and back
On a plane
I'd scale the mountains
Swim the seas
I beg for mercy
Down on my knees

More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man

I caused you sorrow
I've caused you pain
But love is all we will have to gain
I searched to whole world, oh I
And I want you to be my baby

More than anything in this world
I just want you to be my woman
More than anything in this world
I wanna be your man
