Oohooooh yeah
You think you're on top of the world
But you know it's really over
Runnin' round with diamond rings
And coke spoons that are overflowin'
Rock and roll is dead
But all the money in the world
Can't buy you from the place you're going to
Oohooooh yeah

Rock and roll is dead X3

You can't even sing or play an instrument
So you just scream instead
Oh yeah
You're living for an image
So you got five hundred women in your bed
Oh yeah
Rock and roll is dead
But it's real hard to be yourself
When you're living with those demons in your head
Oohooooh yeah

Rock and roll is dead X3

Rock and roll is dead
