She's got knuckle in her eye  
He knows her cat coal  
Can't escape from telling lies  
I heard her sayin'

Hey, mind if I take this chair?  
Hey, mind if I take this chair?

He drops a puss  
She looks annoyed  
But she's so mean  
He thinks she has to be the one

Taken by a stranger  
Stranger things are starting to begin  
Turn into the danger  
Trip me up and spin me round again

You've got some coffee on your collar  
And you forgot to comb your hair  
I can't wait till I do better  
Your hair, and I don't care

Help it if you like it  
'Cause I won't be it tomorrow  
No one ever told you  
That you wouldn't be rejegetd

Taken by a stranger  
Stranger things are starting to begin  
Turn into the danger (it's a risky business)  
Trip me up and spin me round again

Da da da di da da da  
Da da da di da da da  
Oooo...  
La la la la la la

Put the blindfold on his eyes  
She saw him pic through  
Can't imagine her disguise

I heard her sayin'

Hey, mind if I take this chair?

Yeah, see if I care!

Taken by a stranger

Stranger things are starting to begin

Turn into the danger (it's a risky business)

Trip me up and spin me round again.
