It's that time of the year  
Summertime's almost here  
Happiness is around the corner  
It's that time of the year

Days are fun, nights with you, yeah  
Nothing's bad, sure to do  
Lazy nights is an epidemic  
It's that time of the year  
(It's that time of the year)

Sunshine every day  
Paint your cares away  
Let's spend every day together, yeah

We've been waiting so long  
For this season to come  
All the world is a lover's playground  
It's that time of the year  
(It's that time of the year)

It's that time of the year  
Summertime's almost here  
Happiness is around the corner  
It's that time of the year

(It's that time of the year)  
Every night under the stars  
(It's that time of the year)  
Every day, it's a miracle cause  
(It's that time of the year)

One on condition with  
Mother's permisison  
(It's that time of the year)  
Oh, I'll take you up and down  
The boardwalk with small talk

(It's that time of the year)  
On and on with happiness  
As a guide, yeah  
(It's that time of the year)...
