Here's a new game for everyone

Something that's a lot of fun

It's the very latest thing

Everybody, come on, sing

Lip sync

Peter Piper picked a

Peck of pickled peppers

(Peter Piper picked a

Peck of pickled peppers)

She sells seashells

Down by the shoreshore

(She sells seashells

Down by the shoreshore)

Together now

Peter Piper picked a

Peck of pickled peppers

She sells seashells

Down by the shoreshore

Try the next two on both sides

And see if you can synchronize

It's the very latest thing

Everybody, come on, sing

Lip sync

Betty Botter bought

A bit of bitter butter

(Betty Botter bought

A bit of bitter butter)

Fuzzy Wuzzy wasn't

Very fuzzy, was he

(Fuzzy Wuzzy wasn't

Very fuzzy, was he)

From the top now

Peter Piper picked a

Peck of pickled peppers

She sells seashells

Down by the shoreshore

Betty Botter bought

A bit of bitter butter

Fuzzy Wuzzy wasn't

Very fuzzy, was he

Alright, now we're

Gonna do two more and

Then take it from the top

Come on and do it with me

Come on

Can a, can a, can a

Can a candy  
(Can a, can a, can a  
Can a candy)  
Sister Susie sewing  
Shirts for seven soldiers
