(CHORUS)

They put me on a chain gang  
Chain gang, chain gang  
Working on a chain gang all day  
They put me on a chain gang  
Chain gang, chain gang  
Sweating on a chain gang every day

I know just where I went wrong  
Woman sings a sweet love song  
Wanted money, wanted honey  
Chain gang

(CHORUS)

Late one night I stole some dough  
She took it all and let me go  
Caught me stranded, got me branded  
Chain gang

(CHORUS)

One fine day, they'll set me free  
I'll find a girl who takes to me  
Won't be lonely, loves me only  
Chain gang

(CHORUS)

Every day, every day...
