You know that I, well, I hate to say
But I think I want you in the worst way
And I'm too, too drunk to put up a fight
I've been taking punches all night
You're so predictable in every way
You're so predictable and I'm

Outside your house
Drunk and screaming at the stars, yeah
I'm outside your house
Drunk and screaming at the stars

You know I'm driving myself insane
I'm driving myself off your pretty plain
And I wish, I was you so I could see
Just what it's like to walk all over me
You're so predictable in every way
You're so predictable and I'm

Outside your house
Drunk and screaming at the stars, yeah
I'm outside your house
Drunk and screaming at the stars

Our teenage youth is over now
Our teenage youth is running wild
Our teenage youth is over now
Our teenage youth is running wild

I'm outside your house
Drunk and screaming at the stars
I'm outside your house
Drunk and screaming, screaming

Outside your house
Drunk and screaming at the stars, yeah
I'm outside your house
Drunk and screaming at the stars

Our teenage youth is over now
Our teenage youth is running wild
Our teenage youth is over now

Our teenage youth is running wild

Now, now, now
Now, now, now
Now, now, now
I'm drunk and screaming

Now, now, now
Now, now, now
Now, now, now
I'm drunk and screaming, screaming
