We've been waiting for the sun
We've been waiting for the sun
To come out and play
All these rainy days
Are getting old.

We've been waiting for the stars
We've been waiting for the stars
Just to light the way
And take the night away
And paint us gold.

So no one can catch us
Nothing can change this
Covered in stardust
Things all glowing
Jumping off the edge
Reaching for the moon
Living everyday
And things all go like
Oohhooo oho oho oho oohhooo (3x)

We are waiting on a dream
We are waiting on a dream
So we go to sleep
But nothing happens when
We wait too long
So we'll go and

No one can catch us
Nothing can change this
Covered in stardust
Things all glowing
Jumping off the edge
Reaching for the moon
Living everyday
And things all go like
Oohhooo oho oho oho oohhooo (3x)

Oho oho oho oho oho oh hey! (3x)
Oho oho oh hey!

Oho oho oho oho oh hey! (3x)
Oho oho ohhh
yeah yeah

No one can catch us
Nothing can change this
Covered in stardust
Things all glowing
Jumping off the edge
Reaching for the moon
Living everyday
And things all go like

No one can catch us
Nothing can change this
Covered in stardust
Things all glowing
Jumping off the edge
Reaching for the moon
Living everyday
