Hey baby, won't you love me or leave me  
Or let me be lonely.  
You won't believe me, but I love you only.

I'd rather be lonely than be happy with somebody else.

You might find the night time  
The right time for kissing,  
But night time is my time  
For just reminiscing.

Regretting instead of forgetting  
With somebody else

There'll be no one unless that someone is you.  
I intend to be independently blue.

I want your love  
But I don't want to borrow  
To have it today  
And to give back tomorrow

For my love is your love.  
And no love for nobody else.

There'll be no one unless that someone is you.  
You better know it.  
I intend to be independently blue.  
And I'll show it.

I want your love  
But I don't want to borrow  
Have it today  
And to give back tomorrow

It's my love for your love  
And no love for nobody else.  
Yes my love is your love  
And no love for nobody else.
