Today
I caught all the lights
I usually miss and
Skies of grey
Well they weren't so blue
But they were beautifully lit
By sunlight breaking
through the clouds
Tracing buildings on the ground

I'm not asking for more than
To be anything more than
Happy where I rest my head
Cause
Diamonds turn into dust
And silver eventually rusts
And I can't buy the things that made
This a good day

Today
I got all my wrongs imperfectly right
And on the way
The angry mob
Was usually nice
There's a feeling
passing through the crowd
I could wrap my head and heart
around

I'm not asking for more than
To be anything more than
Happy where I rest my head
Cause
Diamonds turn into dust
And silver eventually rusts
And I can't buy the things that made
This a good day

Oh Oh
Well I still got half a day
To go

But somehow it's gonna stay this way
I know

I'm not asking for more than
To be anything more than
Happy where I rest my head
Cause
Diamonds turn into dust
And silver eventually rusts
And I can't buy the things that made
This a good day

The things that made
This a good day

It's a good day
