Oh, I got birds at my window now  
And I hear them singing a song  
Yay, and the flowers are pretty  
It all seems so perfect but still something's wrong

But I'm not really asking for so much

Just better news, taller shoes  
I want sweeter juice, a kiss or two  
I want new tattoos and faster food  
I want more

Oh, all the people are smiling now  
And the children are falling in love  
Yay, I should be celebrating  
But here I am waiting till I get enough

Well I'm not really asking for so much

Just better news, taller shoes  
I want sweeter juice, a kiss or two  
I want new tattoos and faster food  
I want more

Better news, taller shoes  
I want sweeter juice, a kiss or two  
I want new tattoos and faster food  
Give me more

I'm not really asking for so much, so much baby  
I'm not really asking for so much, so much baby

Better news, taller shoes  
Sweeter juice, a kiss or two  
New tattoos and faster food  
I want more, more

Better news and taller shoes  
I want sweeter juice, a kiss or two  
I want new tattoos and faster food  
Give me more, more

Better news, taller shoes  
I want sweeter juice, a kiss or two  
I want new tattoos and faster food  
Give me moreâ€¦

I'm not really asking for so much  
Give me better news, give me, give me more, more  
I'm not really asking for so much

I'm not really asking for so much, so much baby  
I'm not really asking for so much
