Oh what did I do
Why does my good news
Always mean bad news for you

I've got some good news today
It's gonna be bad news for you
I felt the sun on my face
And that means you're feelin' blue.

Oh what did I do
Why does my good news
always mean bad news for you
Oh boo hoo
All of your cryin' still can't
Rain on my good news.

When you go up and away
I'm always happy for you
Now I got some things on my plate
And you've got something to prove

Oh what did I do
Why does my good news
always mean bad news for you
Oh boo hoo
All of your cryin' still can't
Rain on my good news.

Oh what did I do
Why does my good news
always mean bad news for you
Oh boo hoo
All of your cryin' still can't
Rain on my good news.

Oh what did I do
Why does my good news
always mean bad news for you
Oh boo hoo
All of your cryin' still can't
Rain on my good news.

All of your cryin'
All of your cryin'
Still can't rain on my good news.
