Hello little darling, could you please  
Take me back when I'm too far  
Out in the sea, darling  
But do you know how far is too far?

I know that we will meet again  
Till now I don't know where, I don't know when yet  
But I am sure my pretty darling  
We'll meet again

Hello little darling, could you please  
Hold me tight when I'm alone  
When I'm with you I feel safe  
I feel safe and I feel warm

I know that we will meet again  
Till now I don't know where, I don't know when yet  
But I am sure my pretty darling  
We'll meet again

'Cause I get goosebumps on my heart  
I get that every time you love  
Oh, I get goosebumps on my heart  
Please let us never be apart

I know that we will meet again  
Till now I don't know where, I don't know when yet  
But I am sure my pretty darling  
We'll meet again

I know that we will meet again  
Till now I don't know where, I don't know when yet  
But I am sure my pretty darling  
We'll meet again

We'll meet again
