It's not taking me down  
Gonna stand right up  
I could take it to town  
Baby but I'm not

I'm not looking left or right  
That turns right out to be fine  
I'm not taking another fight  
And you know this is not the place to  
die because my

Mama told me  
This will be a good day  
This will be a nice day  
You can hold me  
Better in a good way  
You don't need to tie me

On the way to your soul  
I've got to pass the night  
Take your time to break out now  
Cause the time is right

I'm not looking left or right  
That turns right out to be fine  
I'm not taking another fight  
And you know this is not the place to  
die because my

Mama told me  
This will be a good day  
This will be a nice day  
You can hold me  
Better in a good way  
You don't need to tie me

Mama told me  
This will be a good day  
This will be a nice day  
You can hold me  
Better in a good way

You don't need to tie me
