Doh, doh doh doh  
Doh doh doh, doh doh doh doh doh  
Doh, doh doh doh  
Doh doh doh, doh doh doh doh doh

Mister, can you help me? I'm lost here  
Feels like I am getting nowhere  
I'm sure that I don't want to stay here  
Stay here

Mister, can you see I've got a problem?  
You seem nice, could you solve it?  
My bag is heavy  
And I'm way too tired to keep moving on

Oh, oh, my feet are really hurting and my back is aching  
My body's certainly weary and my legs are shaking  
I've been searching for so long to get to destiny  
But I can't find the arrow key

Been climbing up the walls but I am falling down  
I've been running through the streets but I still haven't found  
I'm looking for it, searching for it desperately  
But I can't find the arrow key

Doh doh doh  
Doh doh doh, doh doh doh doh doh

Mister, I'm feeling cold and I'm lonely  
The people seem to ignore me  
But I do need someone to guide me  
Guide me

Mister, you really seem to be a nice guy  
With your moustache and your kind eyes  
It feels like I already know you

Do I?

Oh, oh, my feet are really hurting and my back is aching  
My body's certainly weary and my legs are shaking  
I've been searching for so long to get to destiny  
But I can't find the arrow key

Been climbing up the walls but I am falling down  
I've been running through the streets but I still haven't found  
I'm looking for it, searching for it desperately  
But I can't find the arrow key

Ooh ooh ooh  
Ooh ooh ooh, ooh ooh ooh ooh ooh  
Ooh, ooh ooh ooh  
Ooh ooh ooh, ooh ooh ooh ooh ooh

My feet are hurting and my back is aching  
God, my body's weary and my legs are shaking  
Climbing up but I'm falling down  
I've been running through but I haven't found

My feet are really hurting and my back is aching  
My body's certainly weary and my legs are shaking  
I've been searching for so long to get to destiny  
But I can't find the arrow key

Climbing up but I'm falling down  
I've been running through but I haven't found but I

Doh, doh doh doh  
Doh doh doh, doh doh doh doh doh  
Doh, doh doh doh  
Doh doh doh, doh doh doh doh doh doh doh
