You said I'm stubborn and I never give in
I think you're stubborn 'cept you're always softening
You say I'm selfish, I agree with you on that
I think you're giving up in way too much in fact

I say we've only known each other one year
You say, "Pfft, I know you longer, my dear"
You like to be so close, I like to be alone
I like to sit on chairs and you prefer the floor

Walking with each other
Think we'll never match at all
But we do, but we do, but we do, but we do

I thought I knew myself, somehow you know me more
I have never known this, no, never before
You're the first to make up whenever we are two
I don't know who I'd be if I didn't know you

You're so provocative, I'm so conservative and
You're so adventurous, I'm so very cautious, combined
You think we would and we do
But we do, but we do, but we do

Favoritism ain't my thing but
In this situation, I'll be glad
Favoritism ain't my thing but
I'll be glad to make an exception

You said I'm stubborn and I never give in
I think you're stubborn 'cept you're always softening
You say I'm selfish, I agree with you on that
I think you're giving out in way too much in fact

I say we've only known each other one year
You say, "Pfft, I know you longer, my dear"
You like to be so close, I like to be alone
I like to sit on chairs and you prefer the floor

Walking with each other
Think we'll never match at all
But we do
