We've been waiting for the sun
we've been waiting for the sun
to come out and play
all these rainy days
are getting on

We've been waiting for the stars
we've been waiting for the stars
just to light the way
and take the night away
and hang us odd

So no one can catch us
nothing can change this
Covered in stardust
things so glowing
jumping off the edge
reaching for the moon-moon
living everyday
things all go like:

oohhooo oho oho oho oho (3x)
ohh

We are waiting on a dream
we are waiting on a dream
so we go to sleep
but nothing happens when
we wait too long

so we go and

No one can catch us
nothing can change this
Covered in stardust
things so glowing

jumping off the edge
reaching for the moon-moon
living everyday
things all go like:

oohhooo oho oho oho oho (3x)
oohhhhh
oho oho oho oho oho oh (hey!) (3x)
oho oho oh (hey!)
oho oho oho oho oh (hey!) (3x)
ohhh

yeah yeah

No one can catch us
nothing can change this
Covered in stardust
things so glowing
jumping off the edge
reaching for the moon-moon
living everyday
things all go like:

No one can catch us
(oohhooo)
nothing can change this
(oho oho oho oho)
Covered in stardust
(oohhooo)
things so glowing
(oho oho oho oho)
jumping off the edge
(oohhooo)
reaching for the moon-moon
(oho oho oho oho)
living everyday
(ohhh)
