She's got knuckle in her eye
He knows her
Cat coal
She can't escape from telling lies
I heard her sayin'

Hey, mind if I take this chair?
Hey, mind if I take this chair?

He drops a puss
She looks annoyed
But he's so mean
He thinks she has to be the one

Taken by a stranger
Stranger things are starting to begin
Turn into the danger
Trip me up and spin me round again

You've got some coffee on your collar
And you forgot to comb your hair
I can't wait till I do better
Your hair
And I don't care

Help it if you like it 'cause I won't be it tomorrow
None ever told you that you wouldn't be taken

Taken by a stranger
Stranger things are starting to begin
Turn into the danger (it's a risky business)
Trip me up and spin me round again

Ba da da lada dada

Oohooohooo

La la la la

Put the blindfold on his eyes
He saw her pic through
Can't imagine her disguise
I heard her sayin'

Hey, mind if I take this chair?
Yeah, see if I care

Taken by a stranger
Stranger things are starting to begin
Turn into the danger (it's a risky business)
Trip me up and spin me round again
