We're going out tonight
you pick me up like everyday
beyond the citylights
we're gonna take a ride

I guess you know
you know I know

Tada tada dada dada
I never thought it's that again
tada tada dada dada
It's what I love-I love-I love
tada tada dada dada
I never give it back again
tada tada dada dada
It's you, I can't lie

You take me to the clock
and I can feel that something new
I like what I just got
we have a dream or two
we bought them pretty cord
that the time is passing by
the crowd has left the room
it's only you and I

I guess you know
you know I know

Tada tada dada dada
I never thought it's that again
tada tada dada dada
It's what I love-I love-I love
tada tada dada dada
I never give it back again
tada tada dada dada
It's you, I can't lie

I guess you know
you know I know

It's in your eyes, it's raising my attention
so I can feel it and no need to mention
we're going back to the place that we're living
it's fought the world and it's more that we're
giving

Tada tada dada dada
I never thought it's that again
tada tada dada dada
It's what I love-I love-I love
tada tada dada dada
I never give it back again
tada tada dada dada
It's you, I can't lie
