I had come in the name of love  
With a mission to ful-fill  
I will reach where justice won't  
Now it's time to pay the bill  
I'm sisters law, I'm sisters law  
I'm 006 with a loaded gun  
Are you ready, ready? to face your crime  
Don't forgive never blame yourself  
You've got the right to live your life  
So every woman with a stolen pride  
Come to me and point him out  
I'm sisters law, I'm sisters law  
I'm 006 with a loaded gun  
Are you ready, ready? to face your crime  
I'm sister law and I've come to you  
I'm sister law, I've got my aim on you  
I'm 006 with a loaded gun  
Are you ready, ready ready ready?  
So you regret it all  
It was not your fault  
You say she was asking for it and I say  
A woman's gotta do what a woman's  
Gotta do  
What's the matter with you?  
Ain't I good enough  
Say your prayers  
Cold as ice feeling no mercy 006, 006  
Frozen eyes the sound of bullet 006, 006  
I'm sisters law, I'm sisters law  
I'm 006 with a loaded gun  
Are you ready, ready? to face your crime  
I'm sister law and I've come to you  
I'm sister law, I've got my aim on you  
I'm 006 with a loaded gun  
Are you ready, ready ready ready?  
To face your crime
