Cheerio, cheerio, bye bye
Cheerio, it's too late to try
'Cause I miss you, every morning and I need you every
night
Cheerio, cheerio, bye bye
Cheerio, cheerio, bye bye
And I will never know the reason why
For a moment we were lovers and for a moment you
were mine
And now it's over, Cheerio, bye bye
You were running wild
No miss forgotten and shine
And I saw you on the rooftop,
And you eyes were shining bright like a candle in the
night
Was it only a game, you played for fun
Did you think you could fly
Just the memory remains as sides go by
Cheerio, cheerio, bye bye
Cheerio it's to late to cry
And there nothing, to forgive you
What is wrong and what is right
Cheerio, cheerio, bye bye
Ah, Cheerio, cheerio, bye bye
Cheerio it's to late to cry
'Cause I couldn't live without and you couldn't take the
fight
Cheerio, cheerio, bye bye
Cheerio, cheerio, bye bye
Cheerio, it's to late to try
I'm so lonely in the morning and I miss you every night
every night
Cheerio, cheerio, bye bye
Cheerio, cheerio, good bye
