Mama!  
Mama, he's making eyes at me  
Mama, he's awfully nice to me  
Mama, he's almost breakin' my heart  
He's beside me  
Mercy! Let my conscience guide me!  
Mama, he wants to marry me  
Oh, be my honey bee  
Every minute he gets bolder  
Now he's leanin' on my shoulder  
Mama, he's kissing me

Mama, he's making eyes at me  
Mama, he's awfully nice to me  
Mama, he's almost breakin' my heart  
He's beside me  
Mercy! Let my conscience guide me!  
Mama, he wants to marry me,  
Be my honey bee  
Every minute he gets bolder  
Now he's leanin' on my shoulder  
Mama, he's kissing me  
Mama, he's kissing me
