Mama!
Mama, he's making eyes at me
Mama, he's awfully nice to me
Mama, he's almost breakin' my heart
He's beside me
Mercy! Let my conscience guide me!
Mama, he wants to marry me
Oh, be my honey bee
Every minute he gets bolder
Now he's leanin' on my shoulder
Mama, he's kissing me

Mama, he's making eyes at me
Mama, he's awfully nice to me
Mama, he's almost breakin' my heart
He's beside me
Mercy! Let my conscience guide me!
Mama, he wants to marry me,
Be my honey bee
Every minute he gets bolder
Now he's leanin' on my shoulder
Mama, he's kissing me
Mama, he's kissing me
