Fall out the wrong side of the bed

And think

Maybe I am just filling space?

The colours don't brighten

The feeling

It's dark

It's just one of them days

Chorus:

The radio's playing a long

Song now

But it still sounds out of key

Somehow

Cause the radios playing a long song now,

And I really don't care, I really

Don't mind

It's just a bad coffee day

I don't mean to sound melancholy

I just dip in the mood from time

To time

The sweet distast will pass

Don't worry

I guess tomorrow I'll be fine

The radio's

Repeat Chorus

I wanna break out

I wanna be free

Control my mind

But my mind controls me

So I'll just give in

I won't see a soul for the day

It's dirt in on the skin

I'll go back to bed and then wake

Up again

Oh! I'll just give in

Just let it have it's own way

Repeat chorus
