Put that in your pipe and smoke it
Put that in your pipe and smoke it
Put that in your pipe and smoke it Grandpa

He's the talk of the town let's make no band
He's a sab-your-slarry Mrs. Jones
I asked him if he had any dreams
And he said 'just for one day I'd like to be queen'
You wanna sit on a throne well that's fantastic
Put your head in a crown that's made of plastic
And you asked me, do I wanna be queen is the pope
catholic
And I was like ah, ok like what would I do

I'd say whatever I want
Whenever I want to whoever I want
I'd do whatever I feel that day
I'll tell him on any day
(You better shake it baby)
To call me
If I was queen for a day

Put that in your pipe and smoke it

Start us walking around with the brother's guitar
She was wearing a badge that says just be a rock star
Well when she opened her mouth she sang I want to
break free
Cause just for one day she'd like to be queen
You wanna wear a red robe because you're fantastic
You got your knickers in a twist booty you're elastic
Would you like to be queen well is the pope catholic
Well like yeah, you know like ah like what would I do

I'd say whatever I want
Whenever I want to whoever I want
I'd do whatever I feel that day
I'd asked Miss Jennifer Pitt
(Is Brad free for a minute)
To call me
If I was queen for a day

If I was queen for a day
If I was queen for a day

You want to sit on the throne well that's fantastic
So put your head in a crown that's made of plastic
And you asked me, would I like to be queen well is the
pope catholic
And I was like ah I would, wouldn't anyone?

I'd say whatever I want
Whenever I want to whoever I want
I'd do whatever I feel that day
I'll tell him on any day
(You better shake it baby)
To call me
If I was queen for a day

I'd say whatever I want
Whenever I want to whoever I want
I'd do whatever I feel that day
I'd asked Miss Jennifer Pitt
(Is Brad free for minute)
To call me
If I was queen for a day

If I was queen for a day
If I was queen for a day
