Your words cut rather deeply,
They're just some other lies
I'm hiding from a distance,
I've got to pay the price
Defending all against it,
I really don't know why
You'r obsessed with all my secrets,
You always make me cry
You seem to wanna hurt me
No matter what I do
I'm telling just a couple,
But somehow it gets to you
But I've learned to get revenge
And i swear you'll experience
That some day
I'm sitting down here,
But hey you can't see me
Kinda invisible ... You don't sense my stay
Not really hiding,
Not like a shadow
Just thought I would join you for one day
I'm sitting down here,
But hey you can't see me
I'm not trying to avoid you,
Just don't wanna hear your voice
When you call me up so often,
I don't really have a choice
You're talking like you know me,
And wanna be my friend
But that's really too late now,
I won't try it once again
You may think that I'm a loser,
That i don't really care you
May think that it's forgotten,
But you should be aware
Cause I've learned to get revenge
And i swear you'll experience
That some day
I'm sitting down here,
But hey you can't see me
Kinda invisible ... You don't sense my stay

Not really hiding,
Not like a shadow
Just thought I would join you for one day
I'm sitting down here,
But hey you can't see me
Kinda invisible ... You don't sense my stay
Not really hiding,
Not like a shadow
Just thought I would join you for one day
