She's walking there alone
No one by her side
She manages to fight the tears
But the pain inside, she can't hide
And all the tears she's cried

The moment she closes her eyes
She starts thinking of you
The dreams that she had one time
Have gone away
Will they ever come true?

All she needs is, all she needs is you
All she needs is you

And she wishes today was one year ago
When you cared so much for her
And loved her so
Not a doubt in her mind that it would still be you
'Cause the love that you shared, it was true

You never thought about it
What you made her feel
You promised, you'd stay together
But the hope she once had
So unreal

All she needs is, all she needs is you
All she needs is you

And she wishes today was one year ago
When you cared so much for her
And loved her so
Not a doubt in her mind that it would still be you
'Cause the love that you shared, it was true

She's walking there alone
No one by her side
She manages to fight the tears
But the pain inside, she can't hide

And she wishes today was one year ago

When you cared so much for her
And loved her so
Not a doubt in her mind that it would still be you
'Cause the love that you shared, it was true

And she wishes today was one year ago
When you cared so much for her
And loved her so
Not a doubt in her mind that it would still be you
'Cause the love that you shared, it was true
