Won't open my mouth  
You know what I'll say  
It hurts me that it's gotta be this way  
I can no longer hide, God knows I've tried

I held on as long as I could  
If I could change it, I would  
This is the way I am  
And this is what I do

I cry my tears  
But they're not for you  
Playing a game  
I know, you've done too

I shouldn't have waited  
But still it's all the same  
'Cause you know  
I'm just playing my game

Close your ears if you don't like  
The sound of my voice  
You're acting like I  
Like I had a choice

But to leave you behind  
Well, I've made up my mind

I cry my tears  
But they're not for you  
Playing a game  
I know, you've done too

I shouldn't have waited  
But still it is all the same  
'Cause you know  
I'm just playing my game

Don't hold me with your eyes  
The light in them I cannot see  
No need to blind me  
There's this darkness where I walk

You thought you had your future  
All figured out

I cry

I cry my tears  
But they're not for you  
Playing a game  
I know, you've done too

I shouldn't have waited  
But still it is all the same  
'Cause you know  
I'm just playing my game  
I'm playing my game
