I'm sitting down here but hey you can't see me

Your words cut deeply, they're just some other lies
I'm hiding from a distance, I've got to pay the price
Defending all against it, I really don't know why
You're obsessed with all my secrets, you always make
me cry

You seem to wanna hurt me, no matter what I do
I'm telling just a couple but somehow it gets to you
But I've learned to get revenge
And I swear you'll experience that some day

I'm sitting down here but hey you can't see me
Kinda invisible, you don't sense my stay
Not truly hiding, not like a shadow
Just thought I would join you for one day
I'm sitting down here but hey you can't see me

I'm not trying to avoid you, just don't wanna hear your
voice
When you call me up so often, I don't really have a
choice
You're talking like you know me and wanna be my
friend
But that's really too late now, I won't try it once again

You may think that I'm loser but I don't really care
You may think that it's forgotten but you should be
aware
'Cause, I've learned to get revenge
And I swear you'll experience that some day

I'm sitting down here but hey you can't see me

Kinda invisible, you don't sense my stay
Not truly hiding, not like a shadow
Just thought I would join you for one day

I'm sitting down here but hey you can't see me
Kinda invisible, you don't sense my stay
Not truly hiding, not like a shadow

But sure I wanna join you for one day

You seem to wanna hurt me, no matter what I do
I'm telling just a couple but somehow it gets to you
But I've learned how to get revenge
And I swear you'll experience that some day

I'm sitting down here but hey you can't see me
Kinda invisible, you don't sense my stay
Not truly hiding, not like a shadow
Just thought I would join you for one day

I'm sitting down here but hey you can't see me
Kinda invisible, you don't sense my stay
Not truly hiding, not like a shadow
Just thought I would join you for one day

I'm sitting down here but hey you can't see me
Kinda invisible, you don't sense my stay
Not truly hiding, not like a shadow
Just thought I would join you for one day

I'm sitting down here but hey you can't see me
Kinda invisible, you don't sense my stay
Not truly hiding, not like a shadow
Just thought I would join you for one day
