I walk the streets of loneliness
To mourn the loss of love's caress
So conceited is your apathy
That crushed the pain inside of me
Please tell me coz I need to know?
What it is that makes me love you so?
Please tell me coz I need to know?
What it is that wont let go?
Bridge So what makes you? (Makes you)
Breaks you (breaks you)
Then beats you down and then forsakes you?

So don't cry, don't cry
It's as good as it gets, it's as good as it gets in your life
So don't cry, don't cry it's as good as it gets it's as
good as it gets in your life
Don't you know that your haunting me baby
(And) don't you know you're still driving me crazy
So don't cry it's as good as it gets; it's as good as it
gets in your life.

So much in life we do expect to receive just so much
less
I really thought you had it all
So lucid with your back against the wall

So please tell me coz I need to know, what it is that
makes me love you so?
Please tell me coz I need to know, what it is that wont
let go?

Bridge

Chorus

You tore me in half with your insidious affair
You played me along said that nobody cared
So leave me alone!
So much has gone on and my conscience is spared
So don't cry it's as good as it gets in your life.

Chorus x2

You walk the streets on loneliness, to mourn the loss of
loves caress
