Just 'cause I have red hair
That don't mean that I'm red down there
Just 'cause I like it rough
That don't mean that I'm open to your stuff
Just 'cause I push things fast
That don't mean you can tap that ass
Here comes the prechorus
This is how I do it

Do
Dodo
Just 'cause I like don't mean I won't bite you
Do
Dodo
Just 'cause I like you don't mean I won't bite you

Just 'cause I buy nice clothes
That don't mean you can wear me out
Just 'cause u rub my back
Don't mean I wanna hit it right now
And just 'cause I wear high heels

That don't mean this girl for sale
Here comes the prechorus
This is how I do it

Repeat Chorus

Your pussycats angry
'cause you left her home
And I don't appreciate
The way you been treating her lately
So if I was you
This is what I'd do
I'd run home for dinner baby please
Run home to your pussy
