I wanna bruise your lips with a tender kiss  
I wanna crush your heart  
I wanna be your scar

And when you're touching me  
I hear a symphony  
oh oh oh baby  
Come on now baby

CHORUS:

Someone get a priest, maybe the police  
I think that we should call the justice of the peace  
You're a pretty young thing  
Oh, it's a damn cool thing  
I gotta tell the world, incase they haven't heard  
There never was a doubt  
Oh baby hush your mouth  
You're a pretty young thing  
Oh, it's a damn cool thing

Let me hear my name  
Baby say it again  
I wanna take you on

I wanna be the one

And when you're closing in  
I hear violins  
oh oh oh baby  
Come on now baby

(CHORUS)

Oh pretty young thing  
Don't need no diamond ring  
I'll give you everything  
I'll show you anything  
Oh just shhhh, just hush  
Don't say a word...

(CHORUS)
