Everything you do is out of self-interest  
you'll never do anything for someone else,  
you've got no respect for someone else's opinion  
you're the high-commander, everyone bows for you  
you're manipulating everyone to do what you want  
and bragging with other people's achievements

You hypocrite backstabbing slut,  
busybody and wiseacre!  
Meddling in with other  
people's business, try to  
keep up appearances  
but you're no upper class

You claim to be the only one with wisdom of life  
but still you always make the same mistakes,  
you always need to be the centre of attention  
everyone has to make room for you and your ego  
no one else can have pain but you  
your own misery is always bigger

You're a selfish bitch!  
You're only thinking  
about your own self  
break your promises  
if there's no personal gain
