"Totalitarian"

The disaffected
Unempathetic
Promiscuous worshipper
To social diktat
Hypomaniac slave
Altruism
Self-sacrifice
The benefit of pathetic ideals
Chimeric dopamine
Faith is demagoguery
Illusion to disappointment
Docile and emasculated
Superficially maintained
In hallucination
Brainwashed and joyless unlike a free man
Sentenced to provide the whole system a link
Existence corrode
Hypomaniac slave
Altruism
Self-sacrifice
The benefit of pathetic ideals
Chimeric dopamine
Faith is demagoguery
Illusion to disappointment
Affection's pathetic
Just a failure for social dictat
"Kill yourself"
Blood will be drained from docile hypomaniac slaves
Docile and emasculated
There's nothing left to save
