Nada nada enchilada (Repeat)

I met a beautiful senorita  
Down at the place called.  
I don't even knows what it means  
All I knew it sounded great  
I made an order, a bottle of whiskey  
And a couple of cheap cigars  
That waitress named Maria  
Gave me a wink across the bar

\* I said, "Baby babe  
What would you like to?"  
She said, "Nada"  
I said, "What?"  
She said she's workin' late  
But if you'd like to wait  
Then we can have one enchilada

Enchilada, enchilada, enchilada  
Nada nada enchilada

Then a giant called Moses  
Was standin' in front of me  
I wondered why the roses  
He said, "Maria belongs to me"  
He said, "If you're lookin' for trouble  
I'll throw you through the door"  
So I grabbed my empty bottle  
And I knocked him to the floor

(\*Repeat 2 times)

Enchilada, (Repeat)  
Nada nada enchilada (Repeat)
