I had two friends
Ivan and the seal
We had a deal
Named by a thrill
It was far out
Over the hill

Flying all day
Flying all night
People came all over
To see warriors of skies
Ivan's Birdman shout
Always took'em by surprise

* Let's fly sky high
Get off the ground
Let's fly sky high
Don't take me down
Let's fly sky high
All day and night
Let's fly sky high

He'd never let me do it
He always made it clear
That I was too young
And the end is always near
But Ivan the Birdman
Seemed to have no fear

** I remember it so well
He was comin' through the air
I wish that I knew
What really happened up there
He crashed into the ground
Like he didn't care

Let's fly sky high (Repeat)
