A second, a minute, and hour, a day goes by.  
I'm hopin' just to be by your side.  
I'm turnin' the handle  
It won't open.  
Don't make me wait, cause right now I need your smile.

[Chorus:]  
Knock Knock  
When life had locked me out, I turned to you  
So open the door.  
Cuz' you're all I need right now it's true.  
Nothin' works like you.

Little louder x3 knockin'  
Little louder [x2]

A warm bath, a good laugh, an old song that you know  
by heart.

I've tried it but they all leave me cold.  
So now I'm here waiting to see you,  
My remedy for all that's been hurting me.

[Chorus]

You seem to know the way  
To turn my frown upside down  
You always know what to say  
To make me feel like everything's ok.

Little louder x3 knockin' [x3]  
Little louder [x2]

[Chorus x2]

Little louder x3 knockin'  
Nothin' works like you, oh oh  
Little louder x3 knockin'

[Chorus]
