You keep saying you've got something for me
Something you call love, but confess
You've been messing where you shouldn't be messing
And someone else is getting all the dress

These boots are made for walking
That's just what they'll do
One of these days these boots
Are gonna walk all over you

You keep lying when you ought to be truth
You keep losing when you ought to be best
You keep sleeping when you ought to be changing
What's right is right, you ain't been right yet

These boots are made for walking
That's just what they'll do
One of these days these boots
Are gonna

You keep playing where you shouldn't be playing
You keep thinking that you'll never get burnt
I just got me a brand new box of matches
Your body knows you ain't got time to hurt

These boots are made for walking
That's just what they'll do
One of these days these boots
Are gonna walk all over you

Are you ready boots?
Start walking
