You and me will be lying side by side
Forever forever
Underneath this adolescent sky
Together together
And you will hold my heart inside your hand
And You'll be the one, the one to tell me

Oh, we've got a long, long way to go
To get there
We'll get there
But oh, if there's one thing that we know
It's that we will not grow old

You made me swear that our hearts will never die
No never, no never
Cause no one seems to believe that we can fly
Forget them, forget them
Oh, you told me

Oh, we've got a long, long way to go
To get there
We'll get there
But oh, if there's one thing that we know
It's that we will not grow old

Oh, how could we know that day, it came with age
That oh, the feeling would fade...
