"Dangerous And Sweet"

It's difficult to see from the surface
But everything goes in
And it stings like a spider
Hits you deep inside and

I know that you are just like me oversensitive
We're an ordinary breed
Taking everything for much more than it means
Well, it's dangerous and it's sweet
Cut us and we bleed

All these words we speak casually
Well, maybe I'm just weak, but it hurts me
Everything you said, everything you said
Everything you said, well it cuts like a knife
It hurts me deep inside and

I know that you are just like me oversensitive

We're an ordinary breed
Taking everything for much more than it means
Well, it's dangerous and it's sweet
Cut us and we bleed

I should put on my armor the next time I see you
So I won't be harmed
But I know I can shoot my own arrows, I'm sorry I hurt
you
I know that like me you can be oversensitive

I know that you are just like me oversensitive
We're an ordinary breed
Taking everything for much more than it means
Well, it's dangerous and it's sweet
Yeah, it's dangerous and sweet
Don't you know it's dangerous and it's sweet?
Cut us and we bleed
