You move
A little closer
You feel
The force of nature
We touch
And something charges
The air
You look into my eyes
And you
Can't look away
It's no surprise
I planned it
Out this way
And now I know

Ah, a-who
You're
Completely bewitched
Caught under my spell
Ah, a-who
Completely bewitched
Your body
Will tell you
What to do

It's sorcery the way
I draw you to me
So don't try
To struggle
You are captured
In my web
Just like
A voodoo doll
I make you move
'Cause I know
What I like
And I like you

Ah, a-who
You're
Completely bewitched
Caught under my spell

Ah, a-who
Completely bewitched
Your body
Will tell you
What to do

Ah, a-who
You're
Completely bewitched
Caught under my spell
Ah, a-who
Completely bewitched
Your body
Will tell you
What to do

Now close your eyes
And surrender
To the moment
Reach out your hand
And touch me
I am your gravity

Ah, a-who
You're
Completely bewitched
Caught under my spell
Ah, a-who
Completely bewitched
Your body
Will tell you
What to do
