Imagine there's no heaven, it's easy if you try  
No hell below us, above only sky  
Imagine all the people living for today ah

Imagine there's no countries, it isn't hard to do  
Nothing to kill or die for  
And no religion too  
Imagine all the people living life in peace

You may say I'm a dreamer, but I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possession, I wonder if you can  
No need for greed or hunger , a brotherhood of man  
Imagine all the people all the people sharing all the  
world

You may say I'm a dreamer, but I'm not the only one  
I hope someday you'll join us  
And the world will live as one
